Work Experience

Frontend Developer Internship at ZURI TEAM

August, 2021 - Present

Leverage agile frameworks to provide a robust synopsis for high level overviews. Iterative approaches to corporate strategy foster collaborative thinking to further the overall value proposition.

UI/UX Designer Internship at KODECAMP

August, 2021 - Present

Override the digital divide with additional clickthroughs from DevOps. Nanotechnology immersion along the information highway will close the loop on focusing solely on the bottom line.

Support/Technical Officer at PROWEB e-solutions

March, 2021 - Present

Offering support and training to ProwebPos Users. Ensuring all users of the software have a smooth experience with the software by handling all clients complaints.

Education

Computer Science from Federal Polytechnic

2018 - 2020

Override the digital divide with additional clickthroughs from DevOps. Nanotechnology immersion along the information highway will close the loop on focusing solely on the bottom line.

Science and Mathematics from Mt. High School

1995 - 2007

User generated content in real-time will have multiple touchpoints for offshoring. Organically grow the holistic world view of disruptive innovation via workplace diversity and empowerment.
